

## Medallion Earns High Marks with Dentists!

At Medallion, we strive for quality, speed, and consistency. The ultimate test is when our product reaches your practice. That's when we really make the grade. But don't take our word for it; see what our clients, your peers, have to say:

"The best quality, turnaround, and service at the best prices. Every way you measure Medallion, they are the best, world-class."

– **Dr. Roscoe Scott DDS, KS**

"Since the inception of Medallion Dental Laboratory, the team has been expert at combining incredible artistry with the most advanced technologies available. This combination of talent and knowledge has provided me with outstanding solutions for my most challenging prosthodontic patients for over 20 years with total consistency. It is always a pleasure to work with Mike, Jodie and the team!"

– **Dr. Thomas J. McGarry DDS  
Oklahoma City, OK**

"For many years, I have comfortably relied on Mike Finley and this incredibly talented team at Medallion Dental Lab for superior quality, on time delivery, and outstanding customer service. If you are seeking the highest quality of work for a reasonable fee, look no further."

– **Dr. Craig Reese DDS  
Head of Department  
Awali Hospital Dental Clinic  
Awali, Kingdom of Bahrain**

"Medallion has been providing our practice with high quality dental restorations for over 20 years. We are able to provide our patients with excellent results because of Mike and his fantastic staff. As a practice with both an experienced and new doctor, Medallion allows us to be our very best! Medallion's attention to detail, great customer service, quick turnaround times, and beautiful restorations is why we use them time and time again."

– **Dr's. Rob and Andrew Herwig DDS  
Lenexa & Paola, KS**

## Our Team Makes Patients and Dentists, Look Great!

At Medallion, we believe in excellence quality, service and fast turnarounds. And we have the team that can make it happen for each and every product.

**Mike Finley**  
Owner

Mike approaches every restoration project with the same goal. He has dedicated himself, and his team, to providing total customer satisfaction.

**Jodie Finley**  
Technical Manager

Jodie is a perfectionist. From single units to full upper reconstructions, she believes each and every patient deserves her very best.

**Margaret Fuss**  
Office Manager

Margaret's priorities are time management and exceptional customer service. She will do whatever it takes to meet your office's needs.

# MEDALLION

A DENTAL LABORATORY

**Timely, Accurate Results...  
Service You Deserve...  
Quality You Can Trust.**

For 25 years, Medallion Dental Laboratory has been providing outstanding restoration products and services for dentists and their patients all across the United States.

## Think Medallion for all your full-service restoration needs!

At Medallion, our mission is to provide outstanding restoration products and services to dentists and their patients across the nation. Count on Medallion for ...

- Meticulous Craftsmanship – we believe you, and your patients, deserve our very best.
- Reliable Delivery – we take the time to do things right, and still finish most cases within 14 working days.
- Exceptional Service – we will move mountains to meet the needs of your patients and your practice.
- World-Class Quality – we believe in getting it right the first time so you don't waste time with remakes.
- A Long-Term, Hassle-Free Guarantee – we stand behind our work for five full years ... we will absolutely, positively satisfy you and your patient.

## Attention Dental Lecturers!

*Medallion Dental Lab is committed to providing quality dental restorations that exemplify precision, consistency and quality, and we prove it with vivid case studies featuring notes and photos. They are available for your presentation use!*

## Precision ... Consistency ... Quality

These are the qualities that guarantee you and your patients will be more than satisfied with our product performance.

- Precision – proper contours, superior function, precise fits
- Consistency – exceptional quality, we get it right the first time
- Polish – natural aesthetics with accurate shading for a perfect smile
